Exciting News: Elevating Safety at Mayo World School!

Dear Esteemed Parents,

Get ready for a groundbreaking safety upgrade at Mayo World

We're thrilled to announce a transformative project aimed at enhancing safety within our school community. Our commitment to excellence drives us to continuously innovate for the well-being of our students and staff.

Soon, we'll be implementing a cutting-edge surveillance and monitoring system, leveraging the latest technology for round-the-clock vigilance and a two-week recording capacity. This system ensures peace of mind for everyone on campus.

Additionally, introducing our new fleet of fully air-conditioned buses equipped with live viewing and recording capabilities, seamlessly integrated with our advanced surveillance system. With two cameras on each bus synced to our monitoring network, your child's safety is guaranteed.

This enhancement symbolises our dedication to excellence in education, prioritising safety and innovation. Thank you for your continued trust and support.

Stay tuned for more updates

Warm regards,
I. T Department
Mayo World School
