

Announcement of Collaboration with Learning Lingos

Dear Parents,

We are delighted to share some exciting news with you.

Mayor World School has entered into a collaboration with Learning Lingos, a premier destination for children seeking proficiency in French. This partnership is set to significantly enhance the educational experience of our students by providing access to a comprehensive and engaging French language programme.

Learning Lingos is renowned for its exceptional language education, facilitated by certified instructors who tailor their teaching to the needs of young learners. This collaboration will enable our students to immerse themselves in the language and culture of France, equipping them with essential skills for success in our interconnected world.

Learning Lingos, a US-based organisation founded by a US citizen, has a significant presence in India, including New Delhi. They have taught over 15,500+ students, including children of renowned personalities such as **Virat Kohli, Kareena Kapoor, Lara Dutta, and Sania Mirza**, to name a few. Additionally, Learning Lingos is associated with some of the top international schools across India.

We believe that this collaboration will enrich the academic journey of our students, fostering a passion for language learning and cultural understanding. We look forward to the positive impact this partnership will have on our school community.

Thank you for your continued support.

Warm regards,

Mayor World School
