

Important Update: Arrival of New Air conditioned Buses

Dear Parents,

Greetings from Mayor World School!

We trust this communication finds you well and in good spirits.

We regret to inform you of a slight delay in the delivery of our eagerly awaited new fleet of AC buses. The delay, attributed to Eicher, is primarily due to the meticulous fitting of advanced safety features in the buses. While this delay was unforeseen, it is a testament to our commitment to ensuring the utmost safety and security of our students.

Initially scheduled to commence operation at the beginning of the school session, the new buses are now expected to be operational starting from the 17th or 18th of this month. We understand the significance of reliable transportation for our students and sincerely apologise for any inconvenience this delay may cause.

In the interim, we are diligently working to make temporary arrangements to ensure uninterrupted transportation services during this period. Please rest assured that we are sparing no effort to minimise any inconvenience.

We deeply appreciate your understanding and cooperation during this time. Should you have any questions or concerns, please do not hesitate to reach out to our administrative office. Your support is invaluable as we navigate through this situation.

Thank you for entrusting us with the education and well-being of your children. We look forward to the safe and timely arrival of the new buses and to continuing to provide the highest standard of service.

Warm regards,

Mayor World School
