

## Join Our Green Initiative: Plant Trees, Nurture the Future

Date: 3 June 2024

Dear Parents,

I hope this letter finds you well. As we experience increasingly hot weather, it's crucial to address a significant issue affecting us all—global warming.

**Understanding Global Warming:** Global warming is the long-term increase in Earth's average temperature due to human activities, especially the emission of greenhouse gases like carbon dioxide (CO<sub>2</sub>). The burning of fossil fuels, deforestation, and industrial activities are major contributors. Consequences include more frequent heatwaves, rising sea levels, and disrupted ecosystems.

**Impact on Future Generations:** Our children face a future with extreme weather, water shortages, reduced agricultural yields, and loss of biodiversity. We must take immediate action to mitigate these effects and protect the environment for their sake.

**Tree Plantation Initiative:** Planting trees is a practical solution to combat global warming. Trees absorb CO<sub>2</sub>, produce oxygen, and provide cooling. We ask each parent to plant at least three trees with their children. This activity will help the environment and educate our children about sustainability.

We encourage you to take pictures of your children planting and caring for their trees. These pictures will be shared on the school's social media and included in the Yearbook.

### Participation Steps:

1. Choose a planting location (your garden, Local Park, etc.)
2. Select suitable tree species.
3. Plant and care for the trees.
4. Take pictures of the planting process.
5. Submit pictures to [environment@mayorworld.org](mailto:environment@mayorworld.org) by 31 July 2024.

This activity will teach children about responsibility, ecology, and the importance of protecting our planet. We look forward to seeing the enthusiasm and creativity of our students and their families.

**Together, we can make a significant impact. Let's plant the seeds of change today**

Thank you for your support.

Warm regards,

Neerza Mayor  
Vice Chairperson  
Mayor World School

Carrying forth the Mayo College Legacy of over **149** years of Excellence
