TRAVEL SMART

Dear Parents/Guardians,

We are thrilled to introduce our new transportation services at Mayo World School, designed to provide you and your child with a safe, comfortable, and convenient travel experience. We have replaced our entire existing fleet with brand new buses, ensuring students' comfort, safety, security & convenience.

Here's what you need to know about our TRAVEL SMART initiative:

- **High-End Eicher Branded Coaches:** Our brand new fleet of air-conditioned video coaches with music system ensures a luxurious and enjoyable journey for students. Interesting educational videos will be shown during the commute, keeping students engaged and fostering continuous learning.
- **Live Monitoring:** Each bus is equipped with two SIM-supported cameras for live monitoring, enhancing safety and security for all passengers.
- **Supervision:** In addition to the driver, a bus conductor and/or attendant, preferably female, will be present to ensure that children are under constant supervision during travel.
- **Safety Measures:** Buses are fitted with reversing cameras and alert mechanisms, ensuring maximum safety for students. A partition between the driver and students maximises air-conditioning effectiveness and prevents direct contact.

- **Real-Time Attendance and Location Tracking:** We have partnered with **MapmyIndia** to manage real-time attendance and bus location, providing parents with timely alerts about boarding, de-boarding, expected time of arrival, and departure.

Benefits:

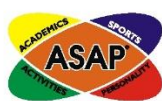

- **Optional Facility:** Our bus service is optional and will be offered on a first-come-first-served basis, providing flexibility for families.
- **Convenience:** Travelling by bus reduces the hassle for parents to pick up and drop off their children, saving valuable time and effort.
- **Environmental Impact:** Opting for bus transportation reduces carbon emissions and contributes to a greener environment, promoting sustainability.
- **Social Opportunities:** Sharing transport helps children build friendships and socialise with their peers, fostering a sense of community and cooperation.

We understand the importance of providing a safe and efficient transportation solution for our students. Our transport policy contains all the necessary details regarding availing this service, ensuring transparency and clarity for all stakeholders.

Thank you for your continued trust and support. For further information or any queries, please feel free to contact us.

Warm regards,
